DEPARTMENT OF PUBLIC SERVICE

## **Public Service Announcement**

**October 14, 2015**

DPS will continue flushing water mains on the low service in the Town of Oneonta, west of West End Avenue, for the next two weeks.

During flushing, water users may experience a change in water color and/or pressure. This is a common, temporary occurrence and is not a cause for alarm.

For questions, please call the Department of Public Service at (607) 432-2100.
