DEPARTMENT OF PUBLIC SERVICE

## **Public Service Announcement**

**October 21, 2015**

DPS has completed flushing water mains in the west end, and will begin the final phase of low service flushing next week in the City's sixth ward. Work is expected to take several weeks, starting Monday, October 26<sup>th</sup>.

During flushing, water users may experience a change in water color and/or pressure. This is a common, temporary occurrence and is not a cause for alarm.

For questions, please call the Department of Public Service at (607) 432-2100.
