DEPARTMENT OF PUBLIC SERVICE

Public Service Announcement

November 4, 2015

DPS will conduct additional brush and yard waste collection the rest of this week and next week, **during the evenings**. Residents are encouraged to review the program regulations on the City website, at www.oneonta.ny.us.

Residents may opt to drop off brush and yard waste at the DPS yard by first checking in at the Central Garage office, 18 Silas Lane, M-F 8:30am-3:30pm (except holidays).

Further collection will continue as needed until Thanksgiving. The final round of citywide collection is tentatively scheduled for the week of November 30th, but may change as weather dictates. Another PSA will be issued prior to this final collection period.

For questions, please call the Department of Public Service at (607) 432-2100.
