The applicant is responsible for complying with all Federal, State, and Local Laws and requirements. The Fire Department's permit and approval of drawings, designs, plans, and specifications shall not in any way relieve the contractor / operator of the responsibility for the display. This review shall not be construed to grant approval for non-compliance with any code or ordinance enforced by any regulatory agency. Selling any fireworks, falsifying or withholding any information, failure to comply with any order of a Fire Department Official or failure to comply with any law or regulation will be cause for revocation of the permit, cancellation of the display, and the imposition of fines. Firing of fireworks without a valid permit shall result in a summons being issued and/or confiscation of products.

To the fullest extent permitted by law _____
(Print name of fireworks contractor/operator)

shall indemnify, defend, and hold harmless the Fire Department and the Municipality for any and all loss resulting from the fireworks and /or performance of the display required under the contract and this permit application, irrespective of whether the Fire Department and / or the Municipality is found negligent or otherwise responsible.

I have read and understand the above information. I have met all requirements as stated. I have attached all "Required Documents." I agree to comply with all Laws, Policies, Codes, and Standards as adopted pertaining to fireworks. I have reviewed and understand the latest version of NFPA 1123 - code for Fireworks Display. I agree to follow all recommended Regulations and suggested Requirements. Any exceptions will be noted and explained in a separate document.
