Public Service Announcement

September 13, 2016

DPS has completed flushing water mains in the west end, and will begin the final phase of low service flushing in the City's sixth ward starting Wednesday, September 14, 2016 at Main Street working west towards Corning. Flushing will continue into next week.

During flushing, water users may experience a change in water color, pressure and/or loss of water. This is a common, temporary occurrence and is not a cause for alarm.

For questions, please call the Department of Public Service at (607) 432-2100 or email dpsinfo@oneonta.ny.us
