APPLICANT MUST PROVIDE PROOF THEY MEET THE REQUIREMENTS FOR THE LICENSE FOR WHICH THEY ARE APPLYING.

Requirements for a Master Electrician's Examination: Submit proof of at least five (5) years experience in the electrical field, or graduation from an accredited school of electrical training plus enough years in the electrical field to total five (5) years. Affidavits supporting such claims showing experience, qualifications, employment, and residence for a period of five (5) years prior to the date of application, must be submitted with the application, together with statements concerning applicant's conviction of a crime, if any, and other such information as required and deemed desirable.

Requirements for a Limited Residential Electrician: Submit proof of at least two and one-half (2.5) years experience in the electrical field, or graduation from an accredited school of electrical training plus enough years in the electrical field to total the 2.5 years. Affidavits supporting such claims showing experience, qualifications, employment and residence for a period of 2.5 years prior to the date of application, must be submitted with the application, together with statements concerning conviction of a crime, if any, and such other information as required and deemed desirable.

Requirements for a Restricted Maintenance License: Provide evidence of at least one (1) year of electrical and installation work or one (1) year of attendance at an educational center (BOCES or military school), or any accumulative combination thereof (which would include two (2) years of BOCES).
