

**Subject:** TES File No. 3807  
**From:** "Michael Clark" <mdclark@gw.dec.state.ny.us>  
**Date:** 12/5/2012 3:32 PM  
**To:** <megan.caves@tesenvironmental.com>

Megan,

After review of our records, we do not find any threatened or endangered species on or near the parcel in question. You will hear back from the Natural Heritage Program separately. Please let me know if you have any questions. Thanks.

Mike
