Our Commitment to You...

Employees of the City of Oneonta Police Department shall at all times strive to be courteous and professional in all dealings with the citizens we serve. It is the hope of the City of Oneonta Police Department that all of your contacts with our members are positive.

All members of the City of Oneonta Police Department are involved with the public, at some level, on a daily basis. The involvement varies on a daily basis. Because it is all part of the job, good deeds often go unrecognized.

Compliments and Commendations, either verbal or written, are one of the best ways to let our employees know that you appreciate their good work and extraordinary customer service.

Encouraging comments from the public are certain morale boosters for the individual Department members. These comments also help supervisors recognize those employees that are consistently doing their job well.
